Oaktree Lodge is a family owned and run Residential Home in Clevedon, just a few minutes from the M5 motorway junction 21, occupying a hilltop position with fabulous views.

Due to its fantastic location, nearly all rooms at Oaktree enjoy a fabulous view. All rooms are comfortably furnished and many boast period features. There is a lift to all floors and when on the communal level there is a choice of a quiet lounge (strictly no t.v), or the television lounge, and those wishing to enjoy the view can do so from the comfort of our conservatory.

Oaktree Lodge has 31 rooms, all of which are equipped with an emergency call system, washing area and television, many even have an en-suite. Residents are welcome to personalise their rooms and can bring their own furniture if they wish, as we like to make the transition as smooth as possible. All communal bathrooms have fitted bath hoists for those preferring a soak but our shower room offers a degree of independence as an alternative.

The menus at Oaktree are well balanced and nourishing, using fresh ingredients. There are a variety of choices at every meal, on a daily basis, with special dietary requirements and requests catered for by our trained chefs. All meals are served in our sunny, open, airy dining room.

On warmer days our residents can enjoy our glorious south facing garden with seating areas and raised flowerbeds for those wishing to keep their fingers green.

All our staff are fully trained and CRB checked. There are staff on duty 24 hours a day.

Oaktree Lodge has enjoyed an excellent reputation for care, giving support and security to up to 34 older people. The home has been run as a care home for well over 25 years with just 2 owners in that time. Owners, Gill Sadeghi and husband and wife team, Susan & Richard Pike are committed, enthusiastic and forward thinking but most of all family orientated, with Susan, Richard and/or a senior member of staff being available on the premises, Monday to Friday. Susan and Gill have owned Oaktree since 2004, and their efforts in refurbishing and running the home can be seen in Oaktree's most recent inspection report.

Oaktree is dedicated to meeting residents' social needs and has created a monthly programme of clubs, events and trips to ensure the needs of the Oaktree residents are met and fulfilled.

Some of the activities on offer are:

- Exercise Classes
- Memory Quizzes
- Outings and Excursions
- Shows & Entertainment
- Hairdressing & Pampering
